August 11th, 2020

Assalamu Alaikum. Peace Be Upon You.

Penny Appeal Canada is pleased to inform you that your Zakat At Home contribution has been successfully disbursed to Canadians across the country.

Together with National Zakat Foundation, we were able to disburse \$37,428.07 to financially assist 153 individuals from 48 households, spanning 23 cities across Canada. The distribution was done over a period of approximately 5 weeks, within the months of June and July 2020. The funds were used to assist families who were in need of food, rental support, debt relief, and other basic essentials of life. Please find below a summary of the distribution and a complete chart outlining all disbursements of Zakat.

On behalf of the organization and the entire Penny Appeal Canada team, I thank you for being a remarkably supportive partner. I hope we can continue to work together to build a stronger Muslim community in Canada.
