R At Home

Before Ramadan, Penny Appeal Canada assembled and delivered groceries to muslim families across the GTA and Calgary. The 70 lbs grocery hampers consisted of staple nonperishable food items like: milk, eggs, bread, and chicken so families would have plenty of food for iftaar throughout the month of Ramadan.

The weekend before Eid, **#TeamOrange** in Edmonton and GTA provided Eid grocery hampers to food-insecure muslim families to ensure they are able to join in on the celebration of Eid!

A special thank you to MLSE Launchpad for the use of their space for the grocery hamper builds.
